

# THERE'S SOMETHING FOR EVERYONE IN YOUR COMMUNITY!

Would you like to have help getting into work or training, start gardening, try jewellery making, join a playgroup or a coffee and activities morning, have fun at a community event, play football or other sports?

## COME AND JOIN US!

Croydon Landlord Services' Sustainable Communities Team work with communities on council estates providing projects inspired by residents, for example play groups, activities for all ages, and we also help our residents to get back into employment.

We want to hear from residents who want to make a difference in their neighbourhood. If you have an idea that would bring your community together, like an event or outing, we may be able to help fund your project or help with your applications for funding.
