Croydon Cougars Club 1

The cougars community coaches will deliver the fitness element via basketball and dodge ball sessions. Dodge ball allows the young people to all actively participate even if they are not into basketball. We will provide 2 breaks during the session which will allow all our young people from right across Croydon to meet and socialise and get to know each other better in a safe and secure environment.

After lunch we would progress to 5v5 full court with players and keeping match score with a concept of winner stays on.

Age:	8-19years
SEND provider:	No
When:	11/04/22 – 14/04/22 10am-2pm
Where:	Monks hill sports centre (Quist Academy school) Farnborough Avenue South Croydon CR2 8HD
Contact Details:	Paulmundycastle@hotmail.com / 07956212179 / www.facebook/croydoncougars

Croydon Cougars Club 2

The cougars community coaches will deliver the fitness element via basketball and dodge ball sessions. Dodge ball allows the young people to all actively participate even if they are not into basketball. We will provide 2 breaks during the session which will allow all our young people from right across Croydon to meet and socialise and get to know each other better in a safe and secure environment.

After lunch we would progress to 5v5 full court with players and keeping match score with a concept of winner stays on.

Age:	8-19years

Contact Details:	austin@disc-uk.com / 07946157023 / www.disc-uk.com

Finesse Foreva Club 1

Finesse Foreva will host a variety of activities which would upskill and equip the young people. Examples of enriching activities include beautification courses where young people can make their own face masks using food items such as honey, avocado, and banana. They will be educated on the nutritious value of these foods and how it can be good for the body both externally and internally. Other daily activities include arts and crafts and recreational games such as table tennis and pool. We will also host a session with a specialist gangs worker that will deliver a session to raise awareness. Physical activities would include daily boxercise training hosted by a skilled professional. We are passionate about providing quality experiences and opportunities for the young people. Therefore, we will take the young people to flip out which is a trampoline adventure arena in Croydon.

Age:	8-16years
SEND provider:	No
When:	11/04/22 – 14/04/22 11am-3pm

Fishers Christian Centre

Our activities include but are not limited to

- Physically activity eg games, dancing, going for a walk, skipping, (short) races, playing, climbing, football, and simple workouts
- Day trips to a City Farm, - living in London children very rarely get to see or touch farm animals. This temporarily takes them away from the concrete jungle, where they can pet, feed and ride the animals and sample local produce.
- Outing days to the cinema, roller skating, ice skating is a bonding time for the young people.
- Visiting museums – in the past visited the science museum, learned history and played with new technology
 - Learn to code / how to make an app – partner with an organisation specialising in learning teens to code and make apps something which will be a first for most of them
 - Day retreat with motivational speakers
 - Classes that include arts and crafts, board games, cooking and baking
 - Help with cv writing, college search and job search,
 - Gardening

Kinetika Bloco

We provide the instruments and deliver the workshops completely. Within the three days they work in sections on Steel Pans, Ensemble drums, and brass & Woodwind to create a live performance of music old and new.

The following soft skills are what are developed whilst on the course:

Communication – listening, sharing ideas, sharing critique and problem solving.

Confidence – through sharing ideas, working with team, working autonomously

Leadership – taking responsibility for tasks, and section leading.

Teamwork – openness to feedback, responsibility and concentration.

Music skills - understanding patterns; development of pulse; co-ordination; listening and playing at the same time; self-discipline; memorising patterns; recognising and acting on visual and vocal cues.

Mentivity

Enriching activities will be provided, topical movies/documentaries will be shown and this will be followed up with discussions that address the issues depicted in the movies that are synonymous with the types of obstacles faced by some of our young people.

There will be team building activities to encourage positive relationships and teamwork between the young people that are present.

In order to further broaden the horizons of our young people, we will take day trips to destinations such as Go-Karting, Paintball, the Cinema, Museums, Exhibitions or to Flip out. These trips will be fun but also focus on providing an educational element to them.

As well as running our sports and fitness programmes we plan to deliver both indoor and outdoor activities including rounders, basketball, table tennis, badminton, football and other activities to engage young people in sports and exercise.

P4YE

P4YE will host a variety of activities which would upskill and equip the young people. Examples of enriching activities include running arts and craft classes that will include the opportunity to make tie-dye t-shirts. Other opportunities include showing topical movies and hosting discussions, team building activities, and conducting role plays to encourage confidence within the young person. Physical activities would include daily boxercise training hosted by a skilled professional. Young people will also get opportunities to engage in daily recreational activities such as table tennis, dodgeball, and pool.

We are passionate about providing quality experiences and opportunities for the young people. Therefore, we will aim to take the young people on excursions available during the Easter period including Go karting, mini golf and a park day where we will conduct an Easter Egg hunt.

Solidrock Academy

There will be a timetable of activities for the children to choose to do from Computer Games, Cooking, Arts and Crafts as well as a quiet chill out area. These activities will be delivered by internal and external staff.

There will also be various other activities going on during the day which the children will be encouraged to take part in such Table Tennis, Athletics and Biking Riding.

As I qualified football coach, I will deliver football coaching and for basketball will also be offered – for this I will use an outside provider – Lawman Basketball Training.

The other physical educational activities will be provided by internal and external providers. Each child will take part in moderate to vigorous intensity physical activity for a least 60 minutes a day to help them to strengthen muscle and bones, maintain a healthy weight, improve overall health and fitness, which will improve sleep and concentration for learning, build social skills and confidence plus making them feel good.

Start It Right

We provide a range of physical education activities that encourage our young people to lead an active lifestyle. We have access to a wide play area where young people can experience a range of physical activities such as basketball, football, tennis, skipping and running. We also have access to a wide grass area where our young people can participate in physical games such as sports day races and generally playing. For every session we also deliver at least 1 hour of physical group games where young people can play and lead on physical activities such as dodgeball, dancing and races. We also offer our young people the opportunity to use the in-house bouncy castle once a week as a treat.

Talent Acquisition Group Club 1

Our Easter camp will be centred around the acronym 'CARES'. There are two main components to our Christmas camp. We aim to champion our mentorship programme accompanied by a variety of sporting activities. CARES stands Commitment, Aspiration, Resilience, Excellence and Self-Management. Each day through Talent Acquisition Group we will explore the above core values and provide adequate workshops which will include group discussions, team-building activities and more. The trip's (for example) will be Go Ape, to face fears and achieve doing something you couldn't think you could do, and Laser Tag will display leadership as a young person will naturally go into a leadership role and shout commands in a bid to lead their team to victory and safety.

This creating a heightened reality that every young person is of value.

Teach it in 10

Students will participate in a range of sporting activities, including football, yoga, athletics ,gymnastics, rugby, swimming, tennis and boxing sessions led by sports coaches and experts (meeting the Physical Activity Guidelines). To entice our older demographic we will also host booster gcse exam sessions. They will engage in a variety of academically driven and fun workshops including coding & robotics, financial literacy and arts (drama, food technology, arts & crafts and public speaking workshops). Students will also go on a variety of fun trips including a themed park . To offer an extraordinarily rewarding experience students will hear from guest speakers from global companies as they lead interactive sessions.Our goal is to empower, inspire and educate each and every attendee.

The Good Shepherd

We will be holding sports days which will include obstacle courses for the young people to compete in. We will also have boxing training sessions, which the facilitators (Gloves Not Gunz) will use as a tool to engage and create change, diverting young people from crime and antisocial behaviour. The attendees of our club will also learn, develop and enjoy through our basketball, football and rounders-based activities which include: small sided games, 1v1's, 2v2's, fitness, skill challenges and matches. Our kitchen is fully equipped with inbuilt oven and burners and is able to hold 15 children at one go, we will be cooking the meal from here as well as Teaching Healthy Cooking and Encouraging Children and Young People to Cook as well as Encouraging Families to Cook and Bake Together.

Total Insight Theatre Club 4

A unique opportunity for young people to create a performance in just 4 days. Work with our professional artists to develop your skills behind the scenes or on stage, taking part in creative activities that include drama, dance and spoken word. This is a great way to increase skills and confidence in a fun and friendly environment and see a live show which will come by to visit. We will also provide a hot meal and snacks each day.

Westbury Community Project

Children will take part in a selection of activities from Art and Craft, Music and Sound, World and Culture and Physical Education. Children will engage in a discussion around Nutrition based activities. After this discussion and have an opportunity to choose from a selection of items to create a balanced meal. They will also participate in craft activities, creating decorations using only items in nature. The idea of reuse, reduce, recycle will be emphasised, for example, desk tidies with tissue rolls and milk cartons. And will be celebrated for their work at the end of the week with certificates of participation. They will also be exposed to a selection of musical instruments which will add to their enriching experience. They will experiment with sound and tonality; creating melodies and beats and harmonies. This session will prove ideal especially for some children who would not have had the opportunity before to work with musical instruments.

Instruments on offer – guitars, drums, kalimbas, keyboard, handbells, xylophones, cymbals maracas triangles (for the younger ones)

White Hut Studios

Our scheme will have different activities that run throughout the session concurrently. Children will be put in groups at the start of the scheme and adhoc children will join accordingly. We have professionals from the following: music, sports, performing arts and arts and crafts. There will be a lesson plan for each day and a weekly topic that will be intertwined into this to make it even more exhilarating for the children.
