

## BANDING TEST - SPECIAL CONCESSIONS

### SUPPLEMENTARY INFORMATION FORM

Please carefully read the Academy's Admission Policy and Banding Information Sheet, which are published on the Academy's website and available in hard copy form from the Academy's main office, before completing this form.

Please complete this form **ONLY** if you would like your child to be considered for any special concessions when they take the banding test. The SEN coordinator at the Academy will consider the request and make a decision as to the appropriate concession required (e.g. wheelchair access, scribes, larger print etc).

Please note that the banding test cannot be re-sat, as there is no pass or fail mark and all children are still eligible for a place. The result of the banding test simply determines which ability band the child will be placed into before places are allocated across all bands to ensure a comprehensive intake of all abilities.

**Please give all information directly relevant to your request, and provide supporting evidence from professionals, where appropriate. Please do not provide any information which is not directly relevant to your request for special concessions to be made during the banding test, as this cannot be taken into consideration.**
