Introduction

Funded by the Department for Education, the Holiday Activities and Food (HAF) programme provides free holiday club spaces for children in receipt of benefits-related free school meals during the Easter, Summer and Christmas school holidays.

With the increased costs of food and childcare, school holidays can be a challenging time for some families. The aim of the programme is to ensure children have access to a safe space in the holidays, where they can participate in exciting activities as well as have access to a nutritious free meal.

Open to eligible children and young people living or going to school in Croydon, our holiday programmes will offer:

- **free, nutritious and tasty food every day**
- **fun daily physical activity sessions**
- **a wide range of exciting activities to suit different ages, personalities and abilities**
- **opportunities to learn more about healthy eating and nutrition**
- **opportunities for children and young people to socialise with their peers and make new friends**

CROYDON
www.croydon.gov.uk

HAF Christmas Programme

The HAF Programme returns during the Christmas 2023/24 holidays, where children and young people will be given an opportunity to attend free holiday clubs in their local area. At each club, children will be provided with a nutritious meal every day and get the opportunity to take part in exciting activities and games.

This Christmas, we are proud to have a variety of clubs delivering a range of activities, from football camps, coding workshops, music-making camps, multi-sport clubs, plus many more. There are also opportunities for children to learn more about healthy eating and take part in cooking and preparing food.

All holiday clubs will cater for children with low-medium levels of SEN and/or disability, with a specialist SEN provision specifically catering for children with medium/high levels of special educational needs by offering dedicated 1 to 1 support. We would encourage you to contact the club directly on how best they can support your child.

HOW TO BOOK?

Children in receipt of benefits-related free school meals at their Croydon school are entitled to up to 4 spaces at clubs this Christmas. Each child will receive a unique voucher code to book their spaces. Voucher codes are allocated by schools and sent by HolidayActivities.

Whilst this document gives an overview of the clubs running this Christmas, more information about the club and the activities they will be offering can be found on the HolidayActivities booking website.

Follow the steps below to book a space

- 1. Look out for an email from HolidayActivities (hello@holidayactivities.com) stating 'You have been issued a voucher'**
- 2. Register/Login to claim your unique voucher code**
- 3. Book up to 4 days/sessions at a holiday club**

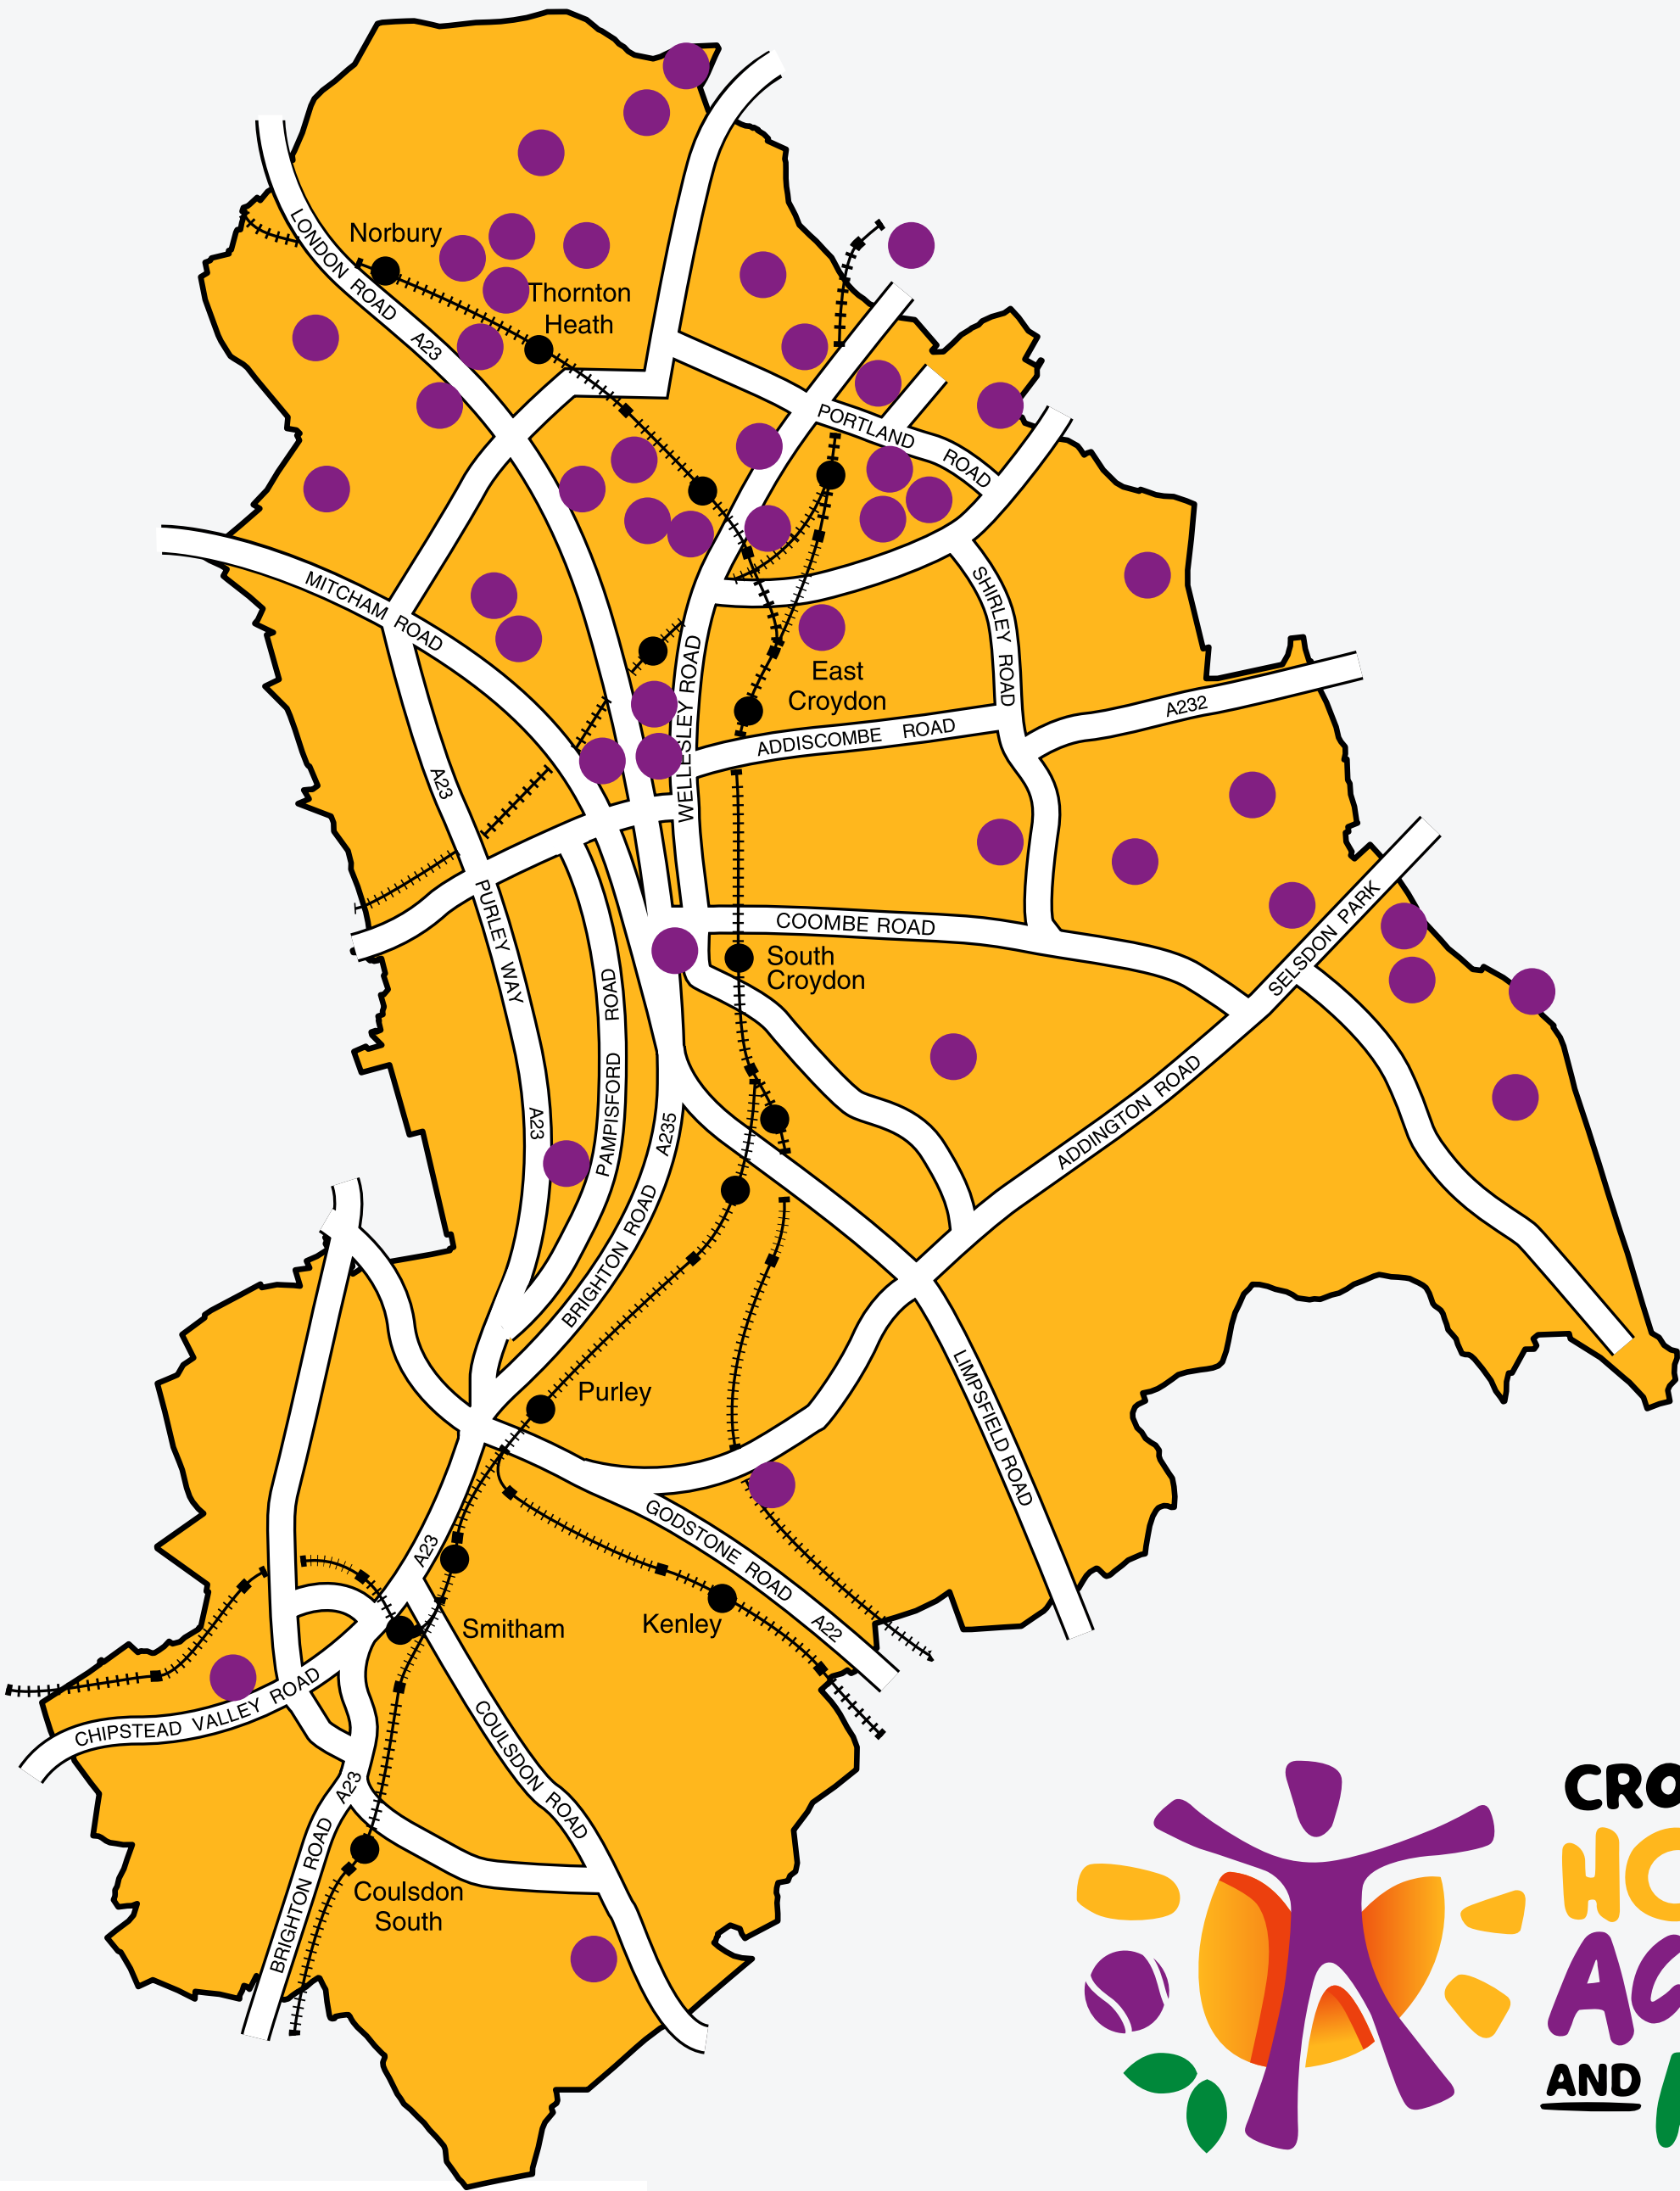

Map of Christmas Activities and where to find them

SUPPORT

Children in London primary schools now receive free school meals for the 2023/24 academic year, also known as universal free school meals.

In order to be eligible for the HAF Programme, you must be in receipt of benefits-related free school meals. If you believe you are eligible for benefits-related free school meals, contact your school who can support you in applying for this to ensure your child can attend the HAF Programme.

If your child is in receipt of benefits-related free school meals but you haven't received a voucher code, please contact your child's Croydon school. Double check your child's details with the school, such as whether they are on the benefits-related free school meal list and/or whether your email address on the school system is correct. Schools will be able to support in allocating a voucher to your child.

Summary of activities:

Opened in 2014, 2023 National Diversity Awards Shortlisted finalist Mula Cake Kids Club CIC is a multi-cultural inclusive holiday club, where everyone is welcome and catered for. Our main aim is to ensure children do not miss out on hot meals during the school holidays by providing 3 hot meals a day, alongside innovative entrepreneurial enrichment activities which are workshop based. This takes the strain off parents in the school holidays, especially now with the cost of living going up so many parents need an extra helping hand. Mula Cake Kids Club provides that. We develop the educational and entrepreneurial skills of young people, to inspire the next generation of young leaders, which encourages them to pursue their aspirations and contribute to society. We are more than just a holiday club we are community champions - just ask the Broad Green community!

Fairfield

Tuesday 2 January - Friday 5 January, 12pm - 4pm

Active Communities Hub, Centrale shopping centre,
21 North End, CR0 1TY

Age range:

9-16

Summary of activities:

P4YE will host a HAF programme with a wide variety of activities that are designed to engage, enrich, and empower young people. These activities include healthy food classes, arts and crafts, team building activities, creative projects, recreational activities, dance and exercise sessions, music, educational workshops, competitions, excursions and more for them to enjoy. Our programme is designed to provide young people with the skills they need to succeed in life, while also encouraging them to have fun and enjoy themselves. Each day the young people that attend will be provided with a hot meal and a schedule that provides opportunities for physical exercise and team building, while our creative projects allow young people to express themselves and explore their passions. Overall, our youth programme aims to provide a holistic approach to youth development, equipping young people with the skills, knowledge, and experiences they need to thrive in the world.

Venues & times:

Fairfield

Tuesday 2 January - Friday 5 January, 9am - 1pm

Unit 1, 6 Scarbrook Rd, Croydon CR0 1UH

Age range:

5-16

Summary of activities:

Rap Therapy is providing a four-week workshop in Croydon that will use rap as a tool to teach young people how to positively express themselves and become more creative. The core focus of the workshops is to improve communication between young people and influence positive ways of expression, in turn improving their mental health. These workshops consist of physically and mentally challenging rap-based games that then equip students with transferable skills such as communication, teamwork, and listening skills, which they can use in and out of their classrooms. The sessions also include Rap Therapy themed basketball games (delivered by a trained UK basketball coach), nutritional education sessions and a sports day.
