TEMPORARY PROHIBITION OF VEHICULAR OR PEDESTRIAN ACCESS AND
TEMPORARY PARKING RESTRICTIONS

1. Croydon Council, **HEREBY GIVE NOTICE** that to facilitate essential highway maintenance works that may take place within the London Borough of Croydon, they intend to amend "The Croydon (Highways Maintenance Works) (Temporary Prohibition of Traffic Order) 2024" to include the length of street listed in the Schedule to this notice, and to allow the following measures to be introduced in that street, for which Croydon Council is the highway authority, providing that the relevant permissions have been granted by the Council:
 - (a) temporarily introduce one-way traffic for the duration of the works in that length of street.
 - (b) temporarily close to vehicular traffic that length of street.
 - (c) temporarily close any adjoining streets to vehicular traffic where this is considered necessary to facilitate the work in progress.

 - (e) temporarily suspend bus lanes/stops, cycle lanes, parking bays or any other traffic restriction as required where this is considered necessary to facilitate the work in progress.
2. Wherever the work happens to be in progress, no person may cause or permit any vehicle to:
 - (a) proceed in a direction other than that indicated by a traffic sign, or
 - (b) proceed in any street or length of street which may at the time be subject to a road closure until the completion of the work allows.
3. Whilst the provisions of the amended Order remain in force, waiting or loading by vehicles would be prohibited at any time in those streets or lengths of streets specified where work is in progress. Any vehicle waiting in contravention of any restriction on waiting imposed by this Order may be removed under the provisions of the Removal and Disposal of Vehicles Regulations 1986.
4. All works requiring a road closure will be advertised complete with any diversion route on our website at the address below. Planned closures and diversion routes are also shown in the Schedule to this Notice.

 - (b) a vehicle being used for fire brigade, ambulance, or police purposes, or the purposes of a statutory undertaker in an emergency, such as the loss of supplies of gas, electricity or water to premises in the area, which necessitates the bringing of vehicles into a section of road to which the order applies.
