Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

G01: Prominent, clear notices shall be displayed at every public entrance stating the actual operating hours of the premises.

b) The prevention of crime and disorder

CD1: All staff engaged in licensable activity at the premises will receive training and information in relation to the following:

- i. The Challenge 25 scheme in operation at the premises, including the forms of identification that are acceptable.
- ii. The hours and activities permitted by the premises licence issued under the Licensing Act 2003 and conditions attached to the licence.
- iii. How to complete and maintain the refusal register in operation at the premises (in relation to the sale of alcohol).
- iv. Recognising the signs of drunkenness.
- v. The operating procedures for refusing service to any person who is drunk, under-age or appears to be under-age, or appears to be making a proxy purchase.
- vi. Action to be taken in the event of an emergency, including reporting an incident to the emergency services.

Training shall be recorded in documentary form and shall be regularly refreshed at no greater than 12 month intervals. Training records shall be made available for inspection and copying at reasonable times upon request of an authorised officer of a responsible authority. Training records will be retained for at least 12 months.

CD2: An incident log shall be kept and maintained at the premises which will include a log of the following, including pertinent details:

- i. Any incidents of disorder or of a violent or antisocial nature;
- ii. All crimes reported to the venue, or by the venue to the police;
- iii. All ejections of patrons;
- iv. Any complaints received;
- v. Seizures of drugs or offensive weapons;
- vi. Any faults in the CCTV system;
- vii. Any visits by a responsible authority (under the Licensing Act 2003) or emergency service.

Records must be completed within 24 hours of any incident, and will contain the time and date, the nature of the incident, the people involved, the action taken and details of the person responsible for the management of the premises at the time of the incident. The logs shall be kept for at least 12 months following the date of entry and be made available for inspection and copying upon request of an authorised officer of a responsible authority.

CD3: The premises shall install, operate, and maintain a comprehensive digital colour CCTV system to the satisfaction of the Police. All public areas of the licensed premises including entry and exit points will be covered. The system must record clear images permitting the identification of individuals, and in particular enable facial recognition images (a clear head and shoulder image) of every person entering and leaving in any light condition. The CCTV system will continually record whilst the premises are open for licensable activities and during all times when customers remain on the premises. All equipment must have a constant and accurate time and date generation. All recordings will be stored for a minimum period of 31 days with date and time stamping. Recordings will be made available immediately upon the request of an authorised officer of a responsible authority throughout the entire 31 day period. The CCTV system will be capable of downloading images to a recognisable viewable format. The CCTV system will capture a minimum of 4 frames per second. The CCTV system will be fitted with security functions to prevent recordings being tampered with, i.e., be password protected.

CD4: All alcohol on display will be in such a position so as not to be obscured from the constant view of the staff.

CD5: There shall be no self-service of alcohol on the premises.

CD6: In the event that an incident occurs for which the police have been called, the crime scene shall be preserved to enable police to carry out a full forensic investigation.

c) Public safety

PS1: The maximum number of persons (including staff) allowed at the premises shall not exceed 50.

PS2: The collection of glasses and bottles shall be undertaken at regular intervals to ensure there is no build-up of empties on the premises.

d) The prevention of public nuisance

PN1: A telephone number shall be made available and displayed in a prominent location where it can conveniently be read from the exterior of the premises by the public for local residents to contact in the case of noise-nuisance or anti-social behaviour by persons or activities associated with the premises. The telephone number will be a direct number to the management who are in control during opening hours. A record will be kept by management of all calls received, including the time, date and information of the caller, including action taken following the call. Records will be made available for inspection and copying by an authorised officer of a responsible authority throughout the trading hours of the premises.

PN2: No deliveries (in relation to licensable activities) to the premises shall take place between 23:00 hours and 07:00 hours.

PN3 During the hours of operation of the premises, sufficient measures will be taken to remove and prevent litter and waste arising or accumulating from customers in the area immediately outside the premises.

PN4: No collections of waste or recycling materials (including bottles) from the premises shall take place between 23:00 hours and 07:00 hours on the following day.

e) The protection of children from harm

CH1: All staff, supervisors and managers must be trained in the legality and procedure of alcohol sales, prior to undertaking the sale of alcohol and then at least every 12 months. Training shall be signed and documented. Training records must be kept on the premises and be made available for inspection and copying to an authorised officer of a responsible authority on request. The documentation relating to training should extend back to a period of at least 12 months and should specify the time, date and details of the persons both providing the training and receiving the training.

CH2: There will be in place a written age verification policy in relation to the sale or supply of alcohol, which will specify a Challenge 25 proof of age requirement. This means that staff working at the premises must ask individuals who appear to be under 25 years of age, attempting to purchase alcohol, to produce identification. The only acceptable identification documents will be:

- A photo driving licence
- A passport

- An identification card carrying the PASS hologram

Unless such identification is produced the sale of alcohol must be refused.

This policy will include documented steps taken to prevent adults from purchasing alcohol for or on behalf of children under 18.

CH3: The premises shall display prominent signage indicating at any point of sale that a Challenge 25 scheme is in operation.

CH4: An alcohol sales refusal register shall be kept at the premises and be maintained to include details of all alcohol sales refused. The register will include:

- i. the date and time of refusal
- ii. the reason for refusal
- iii. details of the person refusing the sale
- iv. description of the customer
- v. any other relevant observations

The refusals register will be made available for inspection and copying on request of an authorised officer of a responsible authority. All entries must be made within 24 hours of the refusal.

14. This is the address which we shall use to correspond with you about this application.
15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be issued to an individual or an individual in a partnership which is not a limited liability partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

They do this in one of two ways:

- 1) by providing with this application, copies or scanned copies of the documents which an applicant has provided, to demonstrate their entitlement to work in the UK (which do not need to be certified) as per information published on gov.uk and in guidance.
- 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service.

As an alternative to providing a copy of original documents, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth, will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not

subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copies of documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.
