

Oasis Academy Ryelands

Admission Arrangements for 2027/2028

Introductory statement

Oasis Academy Ryelands is an academy where all young people are given the opportunity they deserve to make excellent progress and fulfil their full potential. Oasis academy Ryelands is a fully inclusive primary academy, accepting children of all abilities, of any faith or none.

Admission number(s)

The school has an admission number of 60 for entry in year Reception.

The school will accordingly admit this number of students if there are sufficient applications. Where fewer applicants than the published admission number for the relevant year group are received, the academy trust will offer places at the school to all those who have applied.

Application process

Arrangements for applications for places to Reception at the academy will be made in accordance with Croydon's co-ordinated Admission arrangements and will be made on the Common Application Form provided and administered by Croydon.

Please access the application form by visiting Croydon's website, www.croydon.gov.uk/admissions.

The process of allocating places will begin after 31st October. You will be sent a letter or email from Croydon on 16th April. If the date falls on a weekend or a bank holiday, offers are sent the next working day.

Oversubscription criteria

When the school is oversubscribed, after the admission of students with an Education, Health and Care plan or a Education, Health and Care Plan (EHCP) naming the school, priority for admission will be given to those children who meet the criteria set out below, in priority order:

- 1. Looked after children and children who were previously looked after but immediately after being looked after became subject to adoption, a child arrangements order, or special guardianship order.**
This includes those children who appear to Oasis Community Learning to have been in state care outside of England and ceased to be in state care as a result of being adopted. Previously looked after children are children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order).
- 2. Siblings: children with a brother or sister who is reasonably expected to be in attendance at the school at the time of enrolment of the new pupil.**
'Sibling' means a natural brother or sister, a half brother or sister, a legally adopted brother or sister or half-brother or sister, a stepbrother or sister or other child living in the same household as part of the same family who, in any of these cases, will be living at the same address at the date of their application for a place.

3. Children of Staff Member

Children whose parent is a member of staff who has been employed at the Academy for two or more years at the time at which the admission application is made, and/or has been recruited to fill a vacant post for which there is a demonstrable skill shortage.

4. Distance: priority will be given to children living closest to the school as measured in a direct line from the home address to the school.

"Home" is defined as the address where the child normally resides as their only or principal residence. Addresses involving child minders (professional or relative), are excluded. Childminding arrangements cannot be taken into account when allocating places.

Parents will be asked to provide documentary evidence to confirm an address and parental responsibility. The LA should be notified of changes of address immediately. Failure to do so could result in the child being denied a place at a preferred school.

The distance will be measured in a straight line from the child's home address to the designated entrance(s) of the school using a computerised measuring system (GIS) and geographical reference points as provided by the National Land and Property Gazetteer (NLPG). Those living closer to the school will receive higher priority.

If a child lives in a shared property such as flats, the geographical references will determine the start point within the property boundaries to be used for distance calculation purposes.

Tie Break

In the event that the number of applications for places exceeds the number of places available after application of the admissions criteria, distance will be used to decide between applications. Where distance is the same for two or more applications the authority will use random allocation. If there are more applicants than there are places remaining within a particular category, random allocation will be used to allocate the final available place(s). Random allocation process will be independently verified.

Twins/triplets or other multiple births for admission into an infant class

If you are applying for places for twins, or children from a multiple birth, and there is only one place available at the Academy, legislation allows us to admit them all, i.e. all siblings from a multiple birth. The government's School Admissions Code does state that infant classes must not contain more than 30 pupils with a single school teacher, but the code considers multiple births to be an 'exceptional circumstance' and they can be admitted in excess of the published admission number. If you applying for a place for more than one child as a result of multiple births, you must complete a separate form for each child. This is only applicable if the first sibling of the multiple births qualifies for the one remaining place at the school.

Late applications

All applications received by Croydon after the deadline will be considered late applications. Late applications will be considered after those received on time. If, following consideration of all applicants the school is oversubscribed, parents may request that their child is placed on the school's waiting list.

Admission of children outside their normal age group

Parents may request that their child is admitted outside their normal age group. To do so parents should include a request with their application, specifying why admission out of normal year group is being requested, and the year group in which they wish their child to be allocated a place.

When such a request is made, the academy trust will make a decision on the basis of the circumstances of the case and in the best interests of the child concerned, taking into account the views of the principal and any supporting evidence provided by the parent. All requests to educate a child outside their normal year group should include written explanation of why this is necessary and where applicable, evidence of the child's circumstances from a relevant professional detailing the child's educational need which makes education outside the normal age group necessary. The school will decide whether or not the individual child's circumstances make this appropriate on educational ground.

Parents of a summer born child may choose not to send their child to school until the September following their fifth birthday. They may request the child is admitted to Reception, rather than Year One. See the guidance on the Gov.uk website: [Summer born children, starting school: advice for parents](#).

In the first instance, please contact office@oasisryelands.org

Admission of children below compulsory school age and deferred entry to school

The law states that children must attend school full-time from the beginning of the term after their fifth birthday. Whilst children normally start full-time school in the September after they are four, parents can opt to defer the child's start date until the beginning of the term after they are five, but they must take up the place within the same academic year. If you wish to do this, or you would like your child to start on a part-time basis, please contact the Principal. If your child's birthday is on or between 1 April to 31 August and you want to defer entry until the beginning of the autumn term after their fifth birthday, you will lose any reception place offer, and will need to re-apply for a Year 1 place. Your child would therefore go straight into Year 1 and miss reception class all together.

Waiting lists

The waiting list for Oasis Academy Ryelands is held and maintained by Croydon.

A waiting list will operate for at least one term after the admission date. This will be maintained by the LA. It will be open to any parent to ask for his or her child's name to be placed on the waiting list, following an unsuccessful application. Thereafter, applicants are required to complete the LA's 'In Year' application form if they wish to remain on the waiting list. 'In Year' waiting list are maintained for one academic year and applicants are required to reapply for each academic year.

'In-Year' Application Process

The 'In-Year' application process is relevant to applications for places in any year group that does not have a PAN (e.g. Years 1 - 6), starting at the beginning of the academic year or for any year group starting at any other point throughout the academic year. The Local Authority holds information on which schools in their area have spaces for each year group. In-year applications to Oasis Academy Ryelands can be submitted at any time and are made through Croydon Primary Admissions Department. Oasis Academy Ryelands will inform the Local Authority of any In-Year applications are received, as well as the outcome, so that they can track vacancies across the area.

If an 'In-Year' application is refused, the child will be added to the waiting list for that year group. A child's position on the waiting list will be determined solely according to the oversubscription criteria in this policy. See Admissions Criteria for the oversubscription criteria and the section on waiting lists. If an 'In-Year' application has been refused, the parent/carer has the right to appeal the decision to an Independent Appeals Panel. For detailed information about the appeals process see the Appeals section.

Fair Access Protocol

Local Authorities are required to have Fair Access Protocols in order to make sure that unplaced, vulnerable children are offered a place at a suitable school as quickly as possible. The school complies with Croydon's Fair Access Protocol. Admissions under Fair Access Protocol are discussed between the school and Local Authority on a case-by-case basis. This may mean admitting children above the PAN.

Appeals

Parents whose applications for admission to Reception is unsuccessful have the right to appeal to the independent appeal panel, under the School Standards & Framework Act 1998. The timetable for appeals and the appeal form can be found on our website www.oasisryelands.org. Appeals must be submitted on the appropriate form. You must include any evidence or supporting material with your appeal form and you MUST give the grounds for your appeal at the time you lodge your appeal form. The appeal form will not be accepted unless you state the grounds for your appeal. The form and any evidence and supporting material must be addressed to the School Admissions Appeal Panel at the school address, so that it is received by the date given on the timetable.

Applicants living outside the Local Authority

Parents living outside the Local Authority, where the academy is located, should use the Common Application Form provided by their home Local Authority.
