INTRODUCTION TO OUR SCHOOL

St Joseph's Catholic Junior School is a part of the St. Joseph's Catholic Federation. We are committed to educating our children to achieving their full potential in order that they make a positive difference in their community and the world. We strive for excellence so that every child develops spiritually, socially, academically and morally. Our Federation exists to educate our children with the gospel values, traditions and beliefs of the Catholic faith in partnership with the parents and parish communities. This ethos is central to everything we do. We primarily to serve the Catholic community and Catholic children always have priority of admission. However, the Governing Body also welcomes applications from those of other denominations and faiths and from those who have no faith but who support the religious ethos of the school.

We are in the Diocese of Southwark. It is in the trusteeship of the Diocese. The school is conducted by its governing body as part of the Catholic Church in accordance with its Trust Deed and Instrument of Government, and seeks at all times to be a witness to Jesus Christ.

The Governing Body has responsibility for all admissions to the school. The Governors intend to accept up to 60 children in the Reception Year Group, the published admission number (PAN), without reference to ability or aptitude.

We are able to provide wrap around care from 7.30am- 6pm, for children in the Federation from Nursery to Y6.

Having consulted with the Local Authority, the Diocese and other admission authorities, the governors intend to amend their admission criteria in alignment with Diocese guidance and current legalisation.

Prospective parents are welcome to come and visit our school, please contact the school office should you wish to do so. We have tours every Wednesday morning at 9.30am.

ADMISSION CRITERIA FOR ST JOSEPH'S JUNIOR SCHOOL

Where the number of applications exceeds 60, the Governors will offer places using the following criteria in the order stated below: -

1. Looked after Catholic children and all previously looked after Catholic children who have been adopted or who have become the subject of a child arrangement order or special guardianship order. Catholic children who appear (to the admissions authority) to have been in state care outside of England and cease to be in state care outside of England as a result of being adopted.
2. Baptised Catholic children. A baptismal certificate or evidence of reception into the Catholic Church must be provided.
3. Looked after children and all previously looked after children who have been adopted or who have become the subject of a child arrangement order or special guardianship order. Children who appear (to the admissions authority) to have been in state care outside of England and cease to be in state care outside of England as a result of being adopted.
4. Children enrolled in the catechumenate. Evidence of enrolment in the catechumenate will be required.

5. Children who are members of Eastern Orthodox Catholic Churches. Evidence of Baptism will be required.
6. Children who are members of other Christian Churches and denominations. Evidence of Baptism/dedication or evidence of membership required.
7. Children who are members of other faiths. Evidence of Baptism/dedication or evidence of membership required.
8. All other children.

The following order of priorities will be applied when applications within any of the above categories exceed the places available and it is necessary to decide between applications.

- I. A child who is on roll, at the time of application, at St Joseph's Infant School will take priority over applications, within each criterion who are not currently on roll at St Joseph's Infants.
- II. A brother or sister on the Federation roll at the time of admission. Evidence of the relationship may be required. The governors will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's published admissions number.
- III. Social, pastoral and medical needs which make the school particularly suitable for the child in question. Strong and relevant evidence must be provided, at the time of application, by an appropriate professional authority (e.g. qualified medical practitioner, education welfare officer, social worker or priest).
- IV. Proximity to the school of the child's home address, the distance measured in a straight line from the school entrance by the local authority using a geographical computerised information system. Evidence of residence may be required. Where the last remaining place is to be allocated and two or more children are deemed to live at the same distance from the school the place will be decided by the drawing of lots.

Important Notes:

- a. Catholics include members of the Ordinariate and the Latin and Oriental Rite Churches that are in union with the Bishop of Rome.
- b. A "brother or sister" means children who live as brother and sister including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers or sisters. It would not include other relatives (e.g. cousins). Archdiocese of Southwark – Guidance on School Admissions Revised May 2023
- c. Home refers to the permanent home address at which the child lives for the majority of his/her time and with the parent who is in receipt of child benefit.
- d. A looked after child has the same meaning as in section 22 (1) of the Children Act 1989 that is a child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making an application. A previously looked after child is a child who was looked after but ceased to be so because

they were adopted or became subject to a child arrangements order or special guardianship order. This will include children who appear (to the admission authority) to have been in state care outside of England as a result of being adopted.

Admissions procedure

The Common Application Form (CAF) required by the Local Authority. **The closing date will be 15 January.** Completion of the schools administration document is not mandatory, but it will help the school admissions team to manage the admissions process.

A Certificate of Practice should be completed and received at the school not later than the national closing date for primary schools. The Certificate of Practice is not mandatory and is only required for those applying under Criteria 2 of the policy. You are advised to retain a copy of the certificate, offers of places will be sent to parents by their home Local Authority on the common offer date.

Applications received after the closing date are 'Late Applications' and will be processed after the admissions cycle is complete.

Education, Health and Care (EHC) Plan

The admission of pupils with an EHC Plan is dealt with by a completely separate procedure. The procedure is integral to the making and maintaining of EHC plans by the pupil's home local authority. Details of this separate procedure are set out in the SEND code of practice. Pupils with an EHC plan naming the school will be admitted without reference to the above criteria.

Appeals

Parents/Carers whose applications for places are unsuccessful may appeal to an Independent Appeal Panel set up in accordance with section 94 of the School Standards and Framework Act 1998. Appeals must be made in writing and must set out the reasons on which the appeal is made. Appeals should be made to the Admissions Appeal Clerk at the school address. Parents/Carers have the right to make oral representations to the Appeal Panel.

Parents should be aware that an appeal against refusal of a place in an junior class may only succeed if it can be demonstrated that: -

- a) the admission of additional children would not breach the junior class size limit; or
- b) the admission arrangements did not comply with admissions law or had not been correctly and impartially applied and the child would have been offered a place if the arrangements had complied or had been correctly and impartially applied; or
- c) the panel decides that the decision to refuse admission was not one which a reasonable admission authority would have made in the circumstances of the case.

Admission of children outside their normal age group

Parents who are seeking a place for their child outside of their normal age group, e.g., the child has experienced problems such as ill health or the parents of a summer born child preferring not to send their child to school until the September following their fifth birthday, may request that they are admitted out of their normal age group that is to Year 3 rather than Year 4.

Governors will make decisions on the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's views; information about the child's academic,

social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group, and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. They will also take into account the views of the school's head teacher. When informing a parent of the decision which year group the child should be admitted to, the governors will set out clearly the reasons for their decision.

Where the governors agree to a parent's request for their child to be admitted out of their normal age group and, as a consequence of that decision, the child will be admitted to the age group to which pupils are normally admitted to the school the local authority will process the application as part of the main admissions round, (unless the parental request is made too late for this to be possible) and on the basis of the determined admission arrangements, including the application of oversubscription criteria where applicable. Parents have a statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if they are offered a place at the school, but it is not in their preferred age group.

Waiting Lists

Parents of children who have not been offered a place at the school may ask for their child's name to be placed on a waiting list. The waiting list will be maintained until at least 31st December of each school year of admissions. The waiting list will be operated using the same admissions criteria listed above. Placing a child's name on the waiting list does not guarantee that a place will become available. This does not prevent parents from exercising their right to appeal against the decision not to offer a place. It is possible that when a child is directed under the local authority's fair access protocol they will take precedence over those children already on the list.

Late Applications

Any late applications will be considered by the Governors' Admissions Committee, in the event of there being any available places, using the above criteria. If all places have been filled, parents will be offered the opportunity of placing their child's name on the waiting list. This does not prevent parents from exercising their right to appeal against the decision not to offer a place.

This admissions procedure, although primarily relevant to children for whom a place is sought at the normal age of entry to primary education (Year R), will also apply to succeeding years, and be subject to the availability of places.

In Year (Casual) Admissions

Applications for a place at the school in-year must be made using the Common Application Form (CAF) of Croydon Local Authority (LA). This form must be returned to the school. The school's Supplementary Information Form (SIF) should also be completed (online or in paper version) and returned to the school. In the event of a place being available this will enable the governors to rank the application in the event of their being more than one applicant for the place. The Governors will use the same criteria to rank the application as listed above. The offer of a place will be made by the governors. If no places are available parents will be offered the opportunity of placing their child's name on the waiting list. This does not prevent parents from exercising their right to appeal against the decision not to offer a place.

We look forward to welcoming you and your child into our school family.
