

Item 5 - SENIF Update
Croydon Schools' Forum

Last year, there were delays in the processing and awarding of SENIF funding for pupils administered through the CLSS team.

I confirm that:

- all outstanding cases have now been processed
- payments have been made, and all settings have received the funding due to them.
- From September onwards, all SENIF applications from maintained nursery schools and school-based nurseries have been submitted directly to Mel Farris, and these are now being reviewed and processed on a monthly cycle to ensure consistency and timely decision-making.

Mel Farris - SEND Lead – Early intervention and Improvement (0-25)
