

HOW CAN I PROTECT MYSELF?

When thinking about scams and whether you have or are likely to fall victim, it is helpful to think about what might motivate you to reply to a potential scammer. It could be a range of factors such as:

- FINANCIAL TROUBLE
- FEELING ISOLATED
- CAUGHT OFF YOUR GUARD
- RECENTLY WIDOWED OR DIVORCED
- FEELING PRESSURED
- ATTRACTED TO POTENTIAL "BARGAINS"
- YOU WANT TO HELP OTHERS

There are a whole host of reasons you may be tempted to respond to a potential scam. Take a moment to think what tempts you, and then be on your guard when you next think about responding to something.

To protect yourself, remember these simple messages.
