| CROYDON BALAGOKULAM- DIWALI FESTIVAL | Croydon Balgokulam conducts weekly sessions for young children in Croydon, where they undertake various activities including sport, drama, art, and spiritual education. Funding is being sought to organise a function to celebrate the festival of Diwali. All parents and children who attend weekly sessions will be invited to bring community together. | £500.00 |
| CROYDON DURGA PUJO FESTIVAL | Durga Pujo celebration by Indian/Asian Community for 4 days for the third consecutive year in Croydon. This is one of the biggest festivals celebrated by the Indian community all over the world every year during Sept and Oct. Members from all communities do come and celebrate this event hosted in Croydon Clock Tower. |---------------------------------------|---|-----------|
| CROYDON INDIANS LTD | Croydon Holi Festival is an Indian spring Festival of Colours, celebrated in March. This is one of the most popular festivals celebrated by the Indian community all over the world. Members from all communities will be invited to celebrate this festival in Park Hill Park, on the 24th of March. The event will include song, dance and food, by all members of the community including young children. The grant will go towards setting up the stage, tent and sound system for the event. The event will be free for all residents to attend. | £1,000.00 |
| FRIENDS OF LLOYD PARK | FOLP is requesting funding for administrative related costs such as setting up a website for members and the Croydon Community to keep up to date with events and for us to run regular litter picking and conservation days as well as hi-vis jackets for walk days. We'd like to work with Green Croydon to develop signage for parts of the Park, made from reclaimed wood. | £1,000.00 |
| ST MATTHEW'S PAROCHIAL CHURCH COUNCIL | The kitchen at the Church is much used by the various local organisations which hire space at the Church. The current boiling water dispensers are liable to scale and chalky deposits and we are unable to obtain filters for them. The new dispenser will provide a more efficient supply of boiling water, which will save energy and provide a better service to users. | £1,000.00 |
| THE CHARTWELL CANCER TRUST | The Chartwell Cancer Trust has teamed up with Croydon Health Services NHS to raise £750,000 to build a new and modernised Oncology Unit, a crucial part of the planned £3m overhaul to integrate Acute Paediatric Services in Croydon University Hospital. | £1,000.00 |
| THE RAGHUVANSHI ASSOCIATION | The objective is to define and agree the different Vegetarian types so that hospitals, schools, nursery centres, care homes, elderly community clubs, etc. all have and understand the types, and prepare & offer food accordingly. Awareness of these types would also assist local shops, food outlets and restaurants to sell & serve the appropriate vegetarian food. | £500.00 |
