

# ACCESS TO WORK

**Croydon Landlord Services are offering free, confidential and impartial help for people who live in Council properties who are thinking about making changes towards a better future and would like more information or support to get started.**

**If you are thinking about:**

- returning to work or finding a job
- a training course or apprenticeship
- support to explore your options and formulate your ideas for training and work

We will work with you to develop your confidence to get you started.

**Who is this service for?**

- Croydon Council tenants and leaseholders and their families, aged 18 and over
- Residents living in Croydon Council temporary accommodation properties
