

Amendment to Page 7 of the Leaseholder's Guide

Please note following a policy change on 1 December 2010 the external doors to your home are now the responsibility of Croydon council as landlord to maintain.

This means we will now be responsible for front doors and will undertake the repairs and renewal of front doors, the cost of which will be recharged through your annual service charges or major works.

If you require any further information regarding this change please contact the Leasehold Services Team at:

Department of adult services health & housing
