Waste and recycling collections – top tips

✓ Present your landfill waste and recycling for collection by 6am on collection day at the edge of your property.
✓ If your collection is missed use ‘My Account’ (details overleaf) to let us know so your local team can come back and collect.
✓ Please rinse your tins, cans, bottles, jars and plastic packaging before placing them in your green box.
✓ If you find your box is getting over filled please order an additional box using ‘My Account’ or squash your cans and cartons to make more room.

A new chargeable garden waste service is being introduced. The new wheeled bin service will begin in April 2016 to replace the previous garden waste service which has now ended.

Do not place your garden waste bags out if you have chosen not to register for the new garden waste service as these will no longer be collected, although you can still take these to a Reuse and Recycling Centre.
