Croydon Economic Development Company
Cabinet decisions 23 November 2009 – item 10 (Part A) and item B1 (Part B).

We refer to the decisions of the cabinet in Part A and Part B relating to the Croydon Economic Development Company. We request the decisions are referred to the Scrutiny and Overview Committee.

Grounds for the Referral

Part A
We do not see on the body of the report what the consequences to the council will be if the CEDC acquires controlled status and want this explained.

Part B
The impact of the decision on other Council spending was not clearly set out in the report to Cabinet and this needs to be explained.

The outcome desired

Part A. That there is an evaluation of the consequences to the Council if the CEDC was to become a local authority controlled company. Part B that the impact on other council spending be clearly evaluated.

Councillor David Osland    Chair of Scrutiny and Overview Committee

Councillor Maria Gatland    Deputy Chair of Scrutiny and Overview Committee
