Proposed closure of St Andrew’s Church of England High School
Pre-publication Consultation Outcomes Report

1 Proposal
1.1 The proposal is to close St Andrew’s school in August 2020 following completion of Year 11 GCSE examination. The reason for the proposed closure is because the school is no longer considered viable both in terms of its ability to deliver a full and balanced curriculum and financial sustainability.

2. Consultation outcomes report
2.1 The purpose of this report is to provide the Executive Director - Children, Families and Education, Cabinet Member for Children, Young People & Learning and the School’s Leadership Team with the outcomes from the pre-publication consultation on the proposed closure of St Andrew’s Church of England (CofE) High School in August 2020.
2.2 This report is based on the responses received during the pre-publication consultation period when we sought views and engage with those that will be directly affected by the proposed closure of St Andrew’s CofE High School. Those with an interest also had the opportunity to suggest options for consideration on the proposed closure of the school.

3. Background
3.1 St Andrew’s Church of England (CofE) High School is a voluntary aided mainstream school for boys and girls. The school is part of the educational provision of the Southwark Diocesan Board of Education and the London Borough of Croydon. The school is situated in Warrington Rd, Croydon, CR0 4BH.
3.2 The Governing Board at St Andrew’s CofE High School, with the support of the Diocese and Croydon Council agreed that there would be no Year 7 admission to the school in September 2019 and only pupils in Years 10 and 11 in September 2018 would remain to complete their examination courses in 2019 and 2020. The Office of the Schools Adjudicator approved the proposed variation to the school’s admission arrangements.
3.3 In December 2018, the Chair of the Governing Board of St Andrew’s requested that the Council commence the statutory process for the proposed closure of St Andrew’s School following a review of the financial viability of the school.

4. Decision making
4.1 The Leader of the Council has delegated authority to the Executive Director - Children, Families & Education, in consultation with the Cabinet Member for Children, Young People & Learning to consider the outcomes of the consultation on the proposed closure of St Andrew’s to decide whether to proceed to the next stage of the process - representation period.

4.2 Subject to approval, this consultation will be followed by the publication of the statutory notice, starting a 4 week representation period when any person can send objections or comments to Croydon Council on the proposal.

4.3 The Council’s Cabinet Committee is the final decision maker for the proposed closure of St Andrew’s CofE High School and must make a decision within a period of two months of the end of the representation period.

5. Consultation

5.1 The process for decision making regarding proposed school closures is set out in the Department for Education’s statutory guidance ‘Opening and Closing Maintained Schools’ April 2016. The statutory process consists of:

- Pre-publication consultation
- Publication of statutory notice
- Representation / formal consultation
- Decision by Council’s cabinet committee on the school closure proposal

6. Pre-Publication consultation

6.1 The pre-publication consultation ran from 15 March 2019 to 26 April 2019, during this time anyone with an interest was invited to respond to the proposal to close St Andrew’s CofE School.

7. Communication and Consultation activities

7.1 A consultation document including a questionnaire was used as a basis of informing stakeholders, including parents/carers and local residents about the educational rationale for the proposed closure of the school and inviting feedback on the proposal.

7.2 Stakeholders were given the opportunity to express their views in writing via a questionnaire, both electronically and via the hard copy attached to the consultation document, by email and post.

7.3 Different modes and methods of communication were used to inform and facilitate feedback from stakeholders about/on the proposal. Communication activities included the circulation of the consultation document, including a questionnaire via:

- The following websites:
  - Croydon Council
  - St Andrew’s CofE High School
✓ ‘Get Involved’

- Schools Bulletin:
  ✓ Bulletin sent to all schools within Croydon

- Social Media/Applications:
  ✓ Twitter
  ✓ Facebook
  ✓ ‘Your Croydon’

- Hard copy of consultation document, including the questionnaire was available from the Council and the School.

8. **Equality and Diversity Monitoring**

8.1 As part of the consultation process, respondents were asked to complete an equality and diversity questionnaire, looking at Gender, Age, Ethnicity and Disability. The information collected will help identify any special requirements and promote equality and diversity.

**Equalities Impact Assessment**

8.2 An Equalities Impact Assessment (EQIA) will be undertaken as part of the Education Estates Strategy report which will be going to cabinet in September 2019. The Equality analysis will enable the Council to better understand the potential impact of the proposed closure of the school on the community.

9. **Summary of responses**

9.1 A total number of 145 responses were received during the pre-publication consultation period; of which 48 were from a Croydon Christian group - St Mark’s secondary school - regarding a proposal for St Mark’s school on the St Andrew’s site. The Diocese has since responded to the group, as below:

9.2 “**Several responses to the pre-public consultation on closure of St Andrew’s referred to a preference for the site to be used for ‘St Mark’s Secondary School’. Croydon Christians had canvassed local opinion on this idea for a new school towards the end of the pre-public consultation, unaware of the Diocesan Board of Education’s own backing of a feasibility study into the expansion of Archbishop Tenison’s School onto the St Andrew’s site. The Archbishop Tenison’s expansion proposals have since been shared with families at the school. The Diocesan Board of Education and Archbishop Tenison’s have since met with a representative of Croydon Christians, who understand and support the expansion of Archbishop Tenison’s should this proposal go forward. The group would continue to look for future opportunities, e.g. through the free schools programme, to establish further schools with a Christian character in Croydon and South London should the opportunities arise.”**
9.3 The Diocesan Board of Education was in discussion with the Governors of Archbishop Tenison’s about the possibility of the school expanding onto St Andrew’s site. The Governors of Archbishop Tenison’s decided not to go ahead with the proposed expansion of the school onto the St Andrew’s site.

9.4 Of the remaining 97 respondents;
- 23 support the proposed change, of which:
  - 11 support the proposed change but only to allow for a new Christian school to open on the St Andrew’s site
- 61 do not support the proposed change, of which
  - 13 do not support the proposed change but expressed support for another school to be opened on the site.
  - 11 were not sure
  - 2 was not affected/did not wish to answer the questions

9.5 The majority of respondents support another Christian school opening on the St Andrew’s site.

9.6 The majority of respondents are local residents.

<tr>
<td>Not enough church school places</td>
<td>The Diocesan Board of Education is in agreement with respondents in their view that closure threatens the number and proportionality of church school places. For this reason, the Diocese is exploring options to retain the use of St Andrew’s site for educational purpose to safeguard the number of proportionality of Church of England school places in Croydon.</td>
</tr>
<tr>
<td>Reduces parental choice</td>
<td>As above, the Diocesan Board recognises that without a plan for maintaining Church of England places, the closure would present a reduction in parent choice in Croydon. Hence they are exploring options for retaining Church of England school places in Croydon</td>
</tr>
<tr>
<td>Natural progression from The Minster</td>
<td>In the most recent Year 7 intakes very few pupils from The Minster Junior School took up places at St Andrew’s, which the Diocesan Board believes is linked to increasingly negative views of the school over the last five years. Any proposal to make use of the St Andrew’s site would increase access to places for those attending</td>

9.8 Top 3 points made in support of the proposed closure of St Andrew’s

- ‘I support the closure but only if a new Christian school is to take it over’
- ‘Reopen the school with quality teaching staff and a strong head. No to academy status’
- ‘Because St Andrews has gone downhill so much and a new school would give more options to parents, including me.’

10. Next Steps

10.1 The Executive Director, Children, Families & Education and Cabinet Member for Children, Young People & Learning will consider the outcome from the consultation and decide whether to proceed to the next stage of the process - publication a statutory notice, starting the formal consultation (representation) period on the proposed closure of St Andrew’s CoE High School.

Reasons for not supporting:

Not enough church places
- ‘There are not enough Church School places in the borough of Croydon’
- ‘The community at large would benefit from the Christian ethos’
- ‘Croydon is the largest borough in London and has a high population of faith families. Data in the public arena shows that Archbishop Tenisons is heavily oversubscribed year after year and many faith families are disappointed year after year. If St Andrews closes this will only place extra burden on Tenisons’
- Losing a faith school, would only leave one CoE secondary school in Croydon. Why not look for an academy trust to take over the school. Why did Croydon Council approve Coombe Woods and Ark Blake if there was a surplus of places’

Historically had a good reputation
- ‘Was once a great school’
- ‘A historically good school should be kept open’

Reduces parental choice
- ‘Closing St Andrews takes away choice’
- ‘With all the flats going up in Croydon, there is definitely no infrastructure, to support all the people of Croydon’
- ‘St Andrews is conveniently sited for transport links and access to central Croydon. It is in a residential area of family homes with potential students’
- ‘There are many new homes under construction and planned for Croydon, ergo there will be a need for more school places’
‘It is important to keep the green space around the school to help combat air pollution and also to preserve wildlife.’

‘It is inexcusable that a state school should close due to mismanagement.’

‘Quality local school places are needed for local children’

‘Because there is a shortage of school places in CROYDON particularly in this part of the borough’

‘I think that this school has a great ethos by its Christian beliefs and has a more caring approach to individual children who otherwise may get overlooked in a different school’

‘Closing the school is not the solution to the problem. The school needs to be improved’

‘My child is at present at the Minster School, and St Andrews would be the natural progression’

‘I feel St Andrews being CE school and if it were to become an extension/spin off from the Minster school will keep and maintain the student numbers and it will also continue to monitor pupils that need that extra help staying on the right path if needed’

‘It is important to have a broad spectrum of Education available to parents and children’

Reasons for supporting:

‘Because St Andrews has gone downhill so much and a new school would give more options to parents, including me.’

‘I support the closure but only if a new Christian school is to take it over’

‘Reopen the school with quality teaching staff and a strong head. No to academy status’

‘We need a new Christian secondary school. Run by those qualified to do so’
